

“Not My Child, Not My Problem”

Please join us by registering to be a vendor for the Partners For Success Coalition Town Hall. We will be having a panel of experts educating members of the community about addiction and how to prevent this epidemic from happening in any more families. Information tables will also be available to provide what services are being offered throughout Delaware County.

Saturday, March 24, 2018, 1:00-4:00 PM

Community Hall on the Neumann University Campus
1 Neumann Drive, Aston, PA 19014

**In place of a registration fee for hosting a information table at the event,
we are asking for a donation of a case of water.**

Name: _____

Organization: _____
